Dear Ralph;

Thanks for the report etc on the Genesis claims. As I mentioned on the telephone I don't think we will be able to do anything with them at the present time. However I will try to get Ian to show me around the property this fall as I am unfamiliar with the rocks in that belt. Things can change and we'll keep the property in mind for 1986.

Best of luck.

Yours truly,

A. J. Davidson  
Senior Exploration Geologist
