Holes for PEM - Mt. Sicker.

hole #	collar dip	final depth (meters)	
MTS-59	-90°	352.7	Key City
MTS-60	-60°	278.9	
MTS-41	-90°	596.5	
MTS-61	-67°	461.3	
MTS-62	-75°	587.0	Mona
MTS-63	-75°	485.5	
MTS-65	-80°	502.6	start
MTS-64	-80°	480.7	Mud hole.

Dennis,

I've attached plan maps of the holes with suggested loop sizes. Can you do a 400x400m loop? I may also want to pulse one or two of the holes which we are currently drilling. but I don't have a plan sketch for them yet.
