Mr. Philip Lieberman, President
Peppa Resources Limited
Suite 1202 - 750 West Pender Street
Vancouver, British Columbia

Dear Mr. Lieberman:

Further to our brief meeting of July 16, 1982 this will confirm that CORPORATION FALCONBRIDGE COPPER is interested in reviewing all available data pertaining to the "Twin J" property in the Mount Sicker area.

C.F.C. is currently in the process of reviewing its long term exploration plans and it is therefore unlikely that I will be able to get back to Vancouver before September or October at the earliest.

If you would consider sending the data to our Winnipeg office, I would be most pleased to review it in confidence and would hopefully be in a position to further consider your proposal with the object of providing a specific reply by October 1, 1982.

It was a pleasure meeting with you and Mr. Ashton and I certainly hope this delay is acceptable to Peppa Resources.

Yours truly,

CORPORATION FALCONBRIDGE COPPER

P. W. A. Severin,
Senior Exploration Geologist
