Dear Nick:

Re: Property Acquisition Costs and Expenditures Nationwide
Gold Mines Corporation.

In answer to your letter of Feb. 27/89 I submit the following
information:

Karin 2-5 claims:	Acquisition Costs = \$1360.00
Blaster (50%) -	Acquisition Costs = \$15,000.00
	Exploration Work = \$94,086.46
Titanic -	Acquisition Costs = \$10,000.00
	Exploration Work = \$31,621.58
Giant Bear 3 -	Acquisition Costs = \$2,200.00
Captian Hook -	Acquisition Costs = \$20,000.00
	Exploration Work = \$59,089.27

In your letter you did not mention the ESTHER Claim which is
also owned by N.G.M. Corp. There was an aquisition cost of
\$20,000.00 for this claim.

Since we now have an estimated possible/probable ore reserve
of 17,220 metric tonnes grading approx. 0.701 ounces gold per
metric ton from the Shack Jean and The Captain Hook property I
assume you will be assigning some value to this in your report
also.

If anything further is required please let me know.

Sincerely,

Waldo Ejtel
President and Director
