CANUTT'S CLAIMS
1 1/2 miles South of Lime Ck Camp.

Barometer Readings - DH 21 - 10:00 2146'
5:30 2120

Claim Post - No. 2 Posts for TMS #17 & 18

Claim Nos. #26239
#26240

East Edge of Meadow El. 2350 at 11:00

North trending creek crossed by trail
at 2730 El. at 11:30 - *North trending creek?*

Camp at Elevation 2970 at 11:55
200 yds South of open meadow.

Old Newspapers - 1940 - in Cabin, plus
numerous tools etc.

1. Adit in Ck - El 2920 at 11:05

Adit - 40' long - following Qtz-crk
Vein with pyrite sp? P. 28 & some ZnS

Vein - 1' wide at portal - 355 / 600 lbs

- intruding purple & black argillite
with same structural trend.

Specimens - HW - NC-64-242

Vein - NC-64-243

FW - NC-64-244
tools

Sample - 1' across vein - No. 2124

In adit, 4" fault - one with same
trend as veins - veins 1" to 5"
on both sides.

Vein outside portal - 10' ~~4~~ N of
25' wide section of mg gneiss - Spec NC-64-245
Bedding 345/170 W

2. 1500' S. of Camp at Foot of
East-West fork of Main N5 stream
Elevation 3180 @ 3100

ATP - Qtz veins + lenses @
120°/90 - 6"-2"
- Shear - graphite coatings on
slip planes.

Qtz replacing argillite & gneiss @ 350/40E
Also ATP - 5' Qtz sill lying
on argillite bedding plane.

3. 50' North FLP - Adit No. 2 El. 3120

Adit 10' long - following 1' Qtz-carb
barite vein - in shear zone

QV and Shear 000°/90

Cutting Argillite - bedding 125/26 N

Fair amt fault gouge in vein

Vein minerals - pyrite, PbS, ZnS, Cu?

and possibly argentite

Specimen 1 - Vein

NC-64-246

2

NC-64-247

Sample No 2 - Across vein - 2125

Second vein - 2" with fault - 1' at 125/40 N

Cut off by major shear.

Shear continues across creek at 350 / 68W
May be major shear dominating
localization of mineralized veins.

At Camp - old Claim Posts

Initial Posts - August 12 / 1957

B19440, B19441 - On Hill

Also 4 other Initial Posts

321692,
321693
321990
321988

4. North from camp - E1. 2760 at 415

ATP - Gwke - mg gray

Shearing or bedding 020 / 65W

5. North FLP - in Small Ck - 400' S
of Main ck at E1 2710

Gwke - mg to lg. gray.

From this pt. - head of Alice Run
& Kit-salt valley due north

6. North FLP on trail - 200' East of Ck.
E1 2660 at 410

Argillite - lg. black #15

7. Nro E from Camp at 2530 E1

ATP - Argillite
