ASSAY RESULTS

TOM LISLE:

Please find attached hereto assay reports A24 - 642, 24 - 463 &  
24 - 463B, together with keys, from Bondar - Clegg.

VIOLET BEDFORD

B

Enclosures.

8-

WATSON BAR PLANTS - JULY 1974

50' - 100' west of Big Trench

8 Bags Phacelia - each approximately 200 grams wet weight

---

Gordon's Monument

2 Bags of "creamy" Vetch - one of 290 grams wet weight  
one unweighed

---

Winze Dump

3 bags Phacelia weighing roughly - (i) 670 grams - wet  
(ii) 490 grams - "  
(iii) 490 grams - "  
  
1 bag Yarrow ----- 885 grams - "  
  
1 bag "Yellow" Vetch ----- 430 grams - "

---

Primarily for Gold and Tellurium
