Mr. Arthur Johnston,
P. O. Box 67,
Erickson, B. C.

Dear Mr. Johnston:

I am very sorry for the delay in writing you but our field season is just ended. You will find enclosed a copy of assay results of the samples I took from your pits on the Iron King.

As you can see they are interesting but our manager cannot make commitments for the 1977 season at this time.

If the ground is still open and I can find the time I will have a closer look next year.

Yours sincerely,
