JUST LOOKED AT MAURO'S
RESULTS AND YOUR NOTE.
WERE PRETTY WELL SET UP IN THE
LAST HOLE
• 27+35W 3+00 S.

I WOULD WELCOME HELP TO
MOVE OUT BUT IT IS NOT
NECESSARY. THERE ARE NO REAL
PROBLEMS IF THE WEATHER WILL
CO-OPERATE.

J.N.L.

IF YOU DO COME IN EARLY
BRING FRESH MEAT FOR A
COUPLE OF MEALS. THIS IS NOT
CRITICAL BECAUSE WE HAVE
ADEQUATE CANNED SUPPLIES
