Dear Art:

RE: HARRISON LAKE AREA

As part of my new position in Vancouver, I have been asked to monitor exploration activity in the Lower Mainland area, at least for this summer. I would like very much to be able to discuss and visit with you your property option with Abo Oil near Harrison Lake. After I have moved to Vancouver in June I will contact you regarding this.

Good luck this season!

Yours truly,

for 
Tom Schroeter, P. Eng.,
Senior Regional Geologist.
