

HARRISON LK - GOLD

Tue Mar 22/05

- with Jamie Parry (ABO)

Sun + 10°C

Cons - Peter Dagnault + Bryson Hamberg

Total 10 ddh - 2606m

Portal Stock: 2 holes - near RR cut (good results) (old RR cut)

~~new stock~~ 1 ddh (structure) - just W of Lake Stock on rd. (no joy)

Slide Stock - 1 ddh (geochen. anom. = no joy)

Hill Stock - 1 ddh (SW ext. of Hill zone also) (ok - waiting for result)

→ 2 ddh on Hill Stock zone (NE end)

→ 3 ddh on NNW 'contact' area (last vertical) hole (Hill Stock)

* Core area is just up the road off the pavement (~1 km) - all core stacked in racks + nice logging facility → Demobilization (by Eagle Plains) in progress

- Drove up (S) road to Hill Stock area; turned around - new snow.
