

BASIN (coal) Wed. at 22h  
Sun +18°C

- Larry 880302

20,000 tonnes mined + trucked  
to plant @ Similco

~4000 tonnes left to ship

→ shipped to Lafarge cement  
plant in Kamloops

- use magnetite as 'cleaner' for coal

finished mining for year.

- still need to find 'big' market
