Aug 9/79

BITTER CK.

- Beaver Gold Res.
- 4 $\frac{1}{2}$ miles in from Stewart rd.
- Bob Schumacher in charge
- opening up old adits
eg Silver adit
Copper adit

Ardo Mines

- tried to put rd. up to showings - too steep.
- mainly silver (tetra, native, straker-)
- po + pbs
- also tungsten!
- poked around old Ardo mill
- + found samples - cp + po + py + arsenic

NORDORE

- flew over new camp + workings
 - rd. looks good
 - pics - 2 men outside portal
-

GCN Aug. 23/79

- mining on "F" vein - 4725 level

50 tons/day mill

1st 20 tons conc. to Asarco
in East Helena, Montana.

- New "F" vein on 4625 level
