- Duncan McIvor, Endurance

A) "One of best systems" he's seen  
(Equity Silver-type target, incl. Eocene intrusion into Skeena Seds.)  
- just south of The Nipples (SE of Kitsequelle)

B) 'Problem' with First Nations (Gitksan)  
- Chief (apparently) demanding \$ into his own pocket (i.e. ransom!)

- Endurance is joining with 3 other co. to

'deal' with Gitksan  
- EDM aware of letter from Gitksan to Abang. Affairs Branch re 'demands' for expl'n

C) MEMK Smith's office - dealing with  
Doug Flynn (inspector) + Jill Ward (wife  
of vendor - Doug Hayward). EDM feels  
Butch Manningstar is "useless".  
[EDM appreciates that all staff are hopeless/  
overworked]

June 2/06  
à la Orbi prospect  
(road cut between  
Morissetown + Hazelton?)

BQ

Feb. 23/06

- Chat with Duncan McTear (Endurance Gold)

- 'promised' US investors he would be drilling BQ prior to PDAC '06 so there would be some results

→ Problem - pot. land use conflict with Gitksan First Nation

---

- located west of Hwy. 16 up Kikengula R., just below (W.) of Rocky Ridge.

---

→ Large rhyolite dome with stringers of base metals.

→ strong Fe target(s) - begging for drilling.
