

A photograph of a snowy mountain landscape. In the foreground, a dark, rocky slope descends from the right. The middle ground is dominated by a large, flat, snow-covered area. In the background, several jagged, snow-capped mountain peaks rise against a pale, overcast sky. Handwritten in blue ink are three labels: 'CAMBIA ICEFIELD' on the left, 'DRILL' in the center, and 'CAMP' on the right. A small cluster of yellow buildings is visible near the 'CAMP' label.
