Re:

Amalgamation of the Cottonbelt Property

I have successfully amalgamated all our mineral claims into larger claims and applied cash-inlieu on the new claims. I completed the process in three separate stages as time permitted:

First Stage (January 22nd) Second Stage (January 30th) Third Stage (February 4th)

\$1,766.06 1,901.11

557.43

\$4,224.60

The individual costs are:

Billingsley:

\$2,112.30 1,056.15

Chapman: Carlson:

1,056.15

We are now good for another year but we must concentrate on selling this property in the next three months as who ever picks it up will want to work it this year.

Regards,

Dick

Note: Own the key, his torical "COTTON BELT" property.
