

DEER LAKE

Sept. 20/00

- lunch with John Burkes
- consultant - Werner Gruenwald
- Found several new ^{copy} / ZUS showings
to south of 'main' stam showing.
- asso c. with W-NW/E-SE structure (fault)
- also breccia pipes(?) with frags. of
chert.
- good Au & soil geochem
→ needs drilling!
- (#BED / Rio to examine?)
- Hamestakes examined
