

DEMERS ("Crazy Fox" wet. July 11/00)

- with Mike Cathro (+B) sunny +32°C  
(owners: Lloyd Addie + Robert Bourdon)

[met on July 10/01 with Jim Gillis (Cassidy) in Kamloops office] - Cassidy, Gold recently optioned property + completed a TEM geophys survey - good, coincident <sup>N-S</sup> geochem/geophys anomaly - needs ddh!

- Colin Burge (Minnova - In met) worked last on prop. (now in Sweden) → he liked its potential [Chu Chua-type VMS target]

- just 'up' Netahison Rd. from Worldstock (~2 km)
