

DUDE

Aug. 30/01

- Chat with Barney Bowen - consultant for Daryl Clark (Bowell R.) + Bob Duker
- 1.2 km x 600 m wide target area of 'sheeting' (NE)
- felt Falconbridge didn't give it a real good shot (esp. no other company has followed up)
- Good project for flow-through work now! (ie. close to drilling)
- falc. work never filed for assessment!
