

OWEEGEE DOME

Jan. '94

- chat with Dave Kennedy (Trey Corp.)
 - excellent gold geochem in soils
 - geol. setting à la Red Mtn. - has Hazelton Gp. volcs/beds, plus intrusive
 - good T1 conductors.
 - hope to drill in '94
- Paul Wojdak (Jan. 7/94) stated (conversational) that American Barrick has optioned prop.
