Thanks Tom... call it 'Germansen River Alluvials'; this placer project will be managed by Tim Henneberry.

Bob.

SW-June 23/04: Sea Green Capital Corp. has entered into an agreement with W.A. Morris to explore 21 mining claims in the Germansen Landing area (Sea Green will be operator). Sea Green will earn an initial 33.3% interest by incurring \$685,125 of expl'n & development exp. by Mar. 31, 2006. Do you have a NAME for this project? [FYI- for 2004, I have assigned an expl'n exp. of \$100K - ?].
