TAILINGS  
POND

An aerial photograph of an industrial site, likely a mining or processing plant. The image is dominated by a large, irregularly shaped area of light-colored, sandy or silty material, which is labeled 'TAILINGS POND'. To the south of this pond is a dark, rectangular area labeled 'PLANT'. Further south, the site is divided into several distinct sections labeled 'EAST', 'WEST', 'POLYANA', and 'GRANITE'. The surrounding terrain is dark and appears to be a mix of natural vegetation and cleared land. The labels are handwritten in blue ink.
