Thought you might like to know that Clinton Smyth has acquired a new claim block totalling approx 28,000 ha in the Kinskuch Lake area 103P064 and adjacent to Teuton Resources ground to the west.

Mr. Smyth is the same fellow that acquired the 110,000 ha in the Mt Milligan area on Jan. 12, 2005 for Redton Resources.

The attached pdf contains a map of the new claim block, any title number 515720 + are the new ones.
