ATLIN GEOSCIENCE FORUM - AGENDA

AUGUST 4

0800-0900: coffee, juice and light breakfast (baked goods/fruit) and networking

Welcoming Remarks

0900-0905: Introductory remarks by Chuck Downie

0905-0915: Welcome from Geoff Freer Ministry of Mines

0915-0925: Welcome from John Ward TRTFN

Regional Geologic/Metallogenic setting

0925-0950: A Geologic History of the Atlin Region - lithospheric destruction, diamonds, dirty nuggets and denatured oil (Mitch Mihalynek) *Jack Wilson - prayer*

0950-1005: A history of mineral exploration in the Atlin area (Clive Aspinall)

1005-1030: Metallic mineral resources in the region and recent exploration trends (Paul Wojdak / Tom Schroeter) *after Dinner (PW)*

1030-1100 Coffee Break

Mineral Exploration Snapshots (established deposits)

1100-1120: Tulsequah Chief- a continually expanding resource - Redfern Resources Ltd.(Bob Carmichael)

1120-1140: Development potential at the Adanac - Adanac Gold Corp (Dave Philip)

1140-1200: Taku River Tlingit A Perspective on Land and Resources - John Ward

1200-1330 LUNCH PROVIDED AT THE ATLIN INN

Hixon  
884039

Tom Schroeter  
Aug. 3-5/04

Mineral Exploration Snapshots (developed and new prospects)

*Metta (Dave Trupper)*  
1330-1345: Yellowjacket come Muskox (Linda Dandy)

1345-1400: High sulphidation mineralization at the Thorn - Rimfire/Equity (Adam Simmons)

1400-1415: Titan Molybdenum Project - Eagle Plains Resources (Chuck Downie) *500m ddh*

1415-1430: Ruby Creek surface and underground placers (Graham Turner) *16-ton truck up 500' long x 50' wide 5-6 yrs. exploring mine upstream left*

1430-1500 Coffee Break

Exploration Concepts

1500-1515: Diamond indicators from heavy mineral and bedrock samples near Atlin: a kimberlitic source (Dante Canil) *Prof @ Uvic*

1515-1530: Composition of non-quartz inclusions in gold nuggets as a fingerprint for a lode source of placer Au in the Atlin camp (Mitch Mihalynek) *Hackly nuggets @ Feather ck. (x cassiterite) - new step of Surprise ck. bath.*

1530-1540: Concluding remarks

1800-1930 Dinner Provided for Conference registrees - Atlin Rec Centre

*Taku River Salmon baked by June Jack*

1930-1950: Source of Atlin placers - pay streaks and history of lode concepts

1950-2050: Desert Discussion On source of the Atlin placers with panel/chairperson(s)

AUGUST 5

Field trip: 0900 first departure for Tulsequah Chief cost of trip - \$200 per person - limited to 15

*Hixon ck. (lode) = Cayenne Ltd. (Dave Juppky + Alex Bridon)  
7 Taku (Central) Placer old - 1700-5000 ft. vein at the assoc.*
