Dear Franc:

In reference to your letter dated May 13, 1981 I have enclosed a publicity brochure put out by the Parks Branch. As indicated, the Deer Horn property lies outside the Nature Conservancy boundary but still within the general Tweedsmuir Park boundary. This being the case, I would tend to pursue an exploration permit in the hope of future "trade-offs" between Mines and Parks, if any such deals are made.

Good luck in your efforts and if I can be of any further assistance, please do not hesitate to contact me.

Yours very truly,

Tom Schroeter, P. Eng.,
District Geologist.
