on that subject, Tom... I heard from a very reliable source that Placer Dome was in Victoria within the last few weeks discussing Mt. Milligan with our 'brass' - seems like something might be afoot!!! I'll stay tuned and let you know if I hear anything new.

PS I've not mentioned any of this to Beswick and co.

Bob.

Thanks, Bobby. P.S. Mt. Milligan (and area) is on the 'radar' screen - CONFIDENTIAL - will provide more details when I return.

That's very tough, Tom... I hope Christy is OK. Please let me know if you need more of a hand with the upcoming summary workload.

And I hope you and Beryl have a great holiday in China!

Bob.

Thanks, Bob. P.S. FYI - Christy had another seizure here yesterday and is away 'indefinitel' - so, things are pretty hectic here.
