Message / Special Instructions

Dear Sir,

With the Forum just a week away this will likely be our last correspondence. I just wanted to confirm various arrangements for the first part of the Forum.

1) There is a room reserved at the Coast Discovery Inn (975 Shopper's Row; phone: 250 287-7155) in your name for the nights of Wed. July 22 to Fri. July 24 inclusive - I will fax a map for those of you making your own way up.

2) We need to assemble at the minesite at around 7:30 AM on Thursday morning in order to gear up for the underground tour and catch the 8:30 AM cage down. For those of you who wish to have breakfast in Campbell River before departure, please assemble in the hotel lobby at 5:30 AM (yes, it is very early - sorry!) and we will take you to a nearby restaurant; if you think you can get by without breakfast, please assemble in the hotel lobby by 6:15 AM. Keep in mind that there will be a considerable amount of walking involved with the underground tour so bring along appropriate socks, etc. - an extra shirt/sweater might be a good idea for changing into afterwards. Lunch will be provided at the minesite.

3) I had hoped to send you an information package this week, but due to time constraints I have been unable to do this. However, I will leave some binders at the hotel front desk which you can pick up when you check in if you want to do some reading before the tour.

4) We will be having a buffet dinner for the group at 7 PM on Thursday evening at the Discovery Inn - if you have any particular dietary concerns, please inform me and I will try to make alternate arrangements for you.

If you have any further questions or concerns, feel free to contact me at:

Phone: (250) 287-9271 ext. 290
(250) 287-4320 (home - after 5:30 PM)
Fax: (250) 287-7123
e-mail: s.mckinley@boliden.ca

We look forward to seeing you next week.

Sincerely yours,

Sean McKinley

Dear Tom,

I am writing to confirm your attendance at the 1998 Myra Falls Operations Exploration Forum. As per our previous correspondence, the forum will be held on July 23-25 and will take place in Campbell River and at the Myra Falls minesite. Please fill out the attached confirmation form and return it as soon as possible. If you are unable to attend please call me at the number above. It would also be helpful to us if you completed the short biographical section. Accommodation at the Coast Discovery Inn will be arranged by the company for the nights of Wednesday, July 22 to Friday, July 24 inclusive. You are welcome to arrange your own accommodation if you wish, but please indicate your intentions on the confirmation form. We request that you make your own travel arrangements to Campbell River although the company will pay for participants' airfares (please provide receipts). I have also included a preliminary schedule of activities for the forum. A more in depth information package will be sent to you in a few weeks time. If you have any further questions please feel free to contact me at the above address or phone number or by e-mail at smckinley@westmin-resources.com.

Yours sincerely,
