

NEWAC Fri. June 26/98

(Asst)

- talk with Ken Carter, Giles Peatfield & Chris Staargaard re-proposed drilling program
(they had been on site on Thurs 25th)
- plan to drill minimum 3 dth in centre/core of target (flanked/surrounded by T.P. high (drilled prev. by Noranda))
- if no joy after first 3 holes - will not continue!
- use Bluff Lake Ranch as base → camp on site
