Subject: ACTIVITY REPORT, WEEK OF JUNE 3, 1996

PROGRAM DEVELOPMENT, IMPLEMENTATION AND EVALUATION SECTION
ACTIVITY REPORT, WEEK OF JUNE3, 1996
=====

PLACER PROJECT

- * Productive Interagency Steering Committee meeting June 7, agreed a top priority is to sort out some of the legal issues regarding riparian management areas and ability to vary boundaries of the reserve zone
- * MELP recommend that DFO not be asked to sign MOU, may jeopardize other provincial initiatives
- * letter/package to potential Stakeholder Advisory Committee members (Atlin Placer Association, Cariboo Mining Association, BC & Yukon Chamber of Mines, Taku Tlinget First Nation) to be ready for signing today, need confirmation of budget for at least first meeting (to be held in Atlin in mid July)
- * met June 4 with former Director, Mineral Resources Directorate for Yukon, to learn from recent Yukon placer regulations review. Of interest in Yukon is fact that government geologists are expected to participate in regulation of the industry.

MX PROJECT

- * Gregg Stewart being seconded to MTL
- * Draft 6 of revised Part 11 of Code sent to committee June 3
- * Need to have an implementation plan with training for staff, other agencies and industry

FIRST NATIONS, PUBLIC CONSULTATION

- * Met with Takla Lake representatives in Prince George along with staff from Royal Oak to discuss Kemess South permitting on June 7.

GRAVEL

- * Langford has announced that no soil removal permit is required for the Ralmax quarry
- * decision needed on introduction of a new NOW for sand and gravel pits and quarries (draft available for comment by interested parties, contact Greg)
- * Abbotsford has sent request for proposal to consultants for a regional reclamation plan for Sumas Mountain operations.
- * meeting scheduled for June 20 between ADM and FVRD board to discuss draft SRB.

> Auto forwarded by a Rule

> The date for the tour of the Rock Creek canyon placer workings has been
> set for this Saturday, July 18th. We will meet at 9am at the Jolly
> Creek Recreation site (turn off the highway just east of the Rock Creek
> Canyon bridge, about 10 km west of Rock Creek, onto Little Fish Lake
> road, then onto Canyon road - follow the road down to the creek
> crossing). The group will view 3 different active workings, with the
> operators of each showing us around. We will finish off in the
> afternoon with a barbeque - participants are asked to contribute \$5 per
> person towards the cost of food for this. Both members and non-members
> are welcome to attend. Children are welcome.

> For further information contact Jim Arnusch at 250-442-3987.
