Thanks, David - just trying to keep my "Tracking Files" up to date. Tom.

Tom: Here is the Minfile. Klondike is calling it Quartz Mountain, the Minfile calls it Rice, and Craig Kennedy calls it Kimberly Goldfields.

I think that Richard Hughes has had the property for a long time.

Cheers,

David - I'm not familiar with this one - does it have another Minfile name, or number? Thanks. Have a great W/E.  
Tom.
