Greetings John

As requested I'm sending you some pics of the Rain Property.

I hope these are satisfactory for your present needs. I will send you all of the pictures I have taken on three discs very soon.

I'm sending the three discs to Ron today the 8th of November along with my final invoice.

It has been a pleasure working on the exciting Big Bend Metals Project and I wish ORS every success.

If you should ever require anything at all, please do not hesitate to contact me.

Thanks and regards

Craig
