FAR WEST  
ZONE

This is an aerial photograph of a vast mountainous region. The foreground and middle ground are dominated by a large, flat-topped plateau with a brownish, eroded surface. A deep, wide valley cuts through the center of the plateau, with steep, eroded sides. The valley floor is densely populated with green coniferous trees. In the background, a range of blue mountains stretches across the horizon under a cloudy sky. Two handwritten labels in black ink are overlaid on the image: 'FAR WEST ZONE' is written on the upper left side of the plateau, and 'QUIBLY ZONE' is written on the lower right side, over the forested valley floor.

QUIBLY  
ZONE
