(RMEYERS)

I haven't spoken to Bill either, but he knows I would like to visit. You go ahead and make any arrangements you want with Bill and then let me know the details and I'll make every effort to join up with you guys. Rick, on a separate note, I've been meaning to contact you regarding your preparation/execution/delivery of your excellent paper/talk for NWMA last Fall. Do you have any 'prepared' material (esp. computer) which could make my task easier this year? Any specific comments respecting our current restructuring?
Cheers, Tom
