Dear Mr. Hoffeins:

Re: Your Letter Dated June 3/90 - SCHAFT CREEK

I am in receipt of your request for information on the Schaft Creek deposit located in NWBC. I believe you also have a memo dated April 25, 1990 from the Ministry of International Business and Immigration giving you some information. I have enclosed the best public geological writeup I'm aware of on Schaft Creek. I've also enclosed some data on porphyries in B.C. which I personally have worked on.

If you have any further specific questions, please don't hesitate to contact me.

Yours sincerely,

Tom Schroeter, P.Eng.  
Senior Regional Geologist
