Dear Dr. Folinsbee:

Thank you for your prompt reponse to the announcement of the Society of Economic Geologists field trip - Major Gold-Silver Deposits of the Northern Canadian Cordillera, September 22-26, 1988.

We are pleased to place your name on the list of participants and to hold a place for you. The maximum number of participants will be 30 due to the limitations imposed by the type of charter aircraft that will be used. We expect the trip will be fully booked shortly.

In order to guarantee your registration, please send a cheque or money order for \$600 US or \$750 Canadian payable to me as soon as convenient but no later than August 1.

The tour will depart from a Canadian Airlines International flight lounge, Vancouver Airport around 6:15 PM (18:15 hours) on September 22. We will return from Smithers on September 26 arriving in Vancouver around 5:30 PM. An itinerary, contact phone numbers, list of participants, confirmed flight times and other details will be sent to registered delegates by mid August. (will add)

Thank you for participating in this SEG venture.

Yours sincerely,
