Hi Tom,

Dan Jepsen is looking for a briefing on the provincial government's recent ruling on Myra Falls' request to improve their power situation prior to the trip. If you can help Dan to get up to speed on this issue, that would be good. I am trying to increase the numbers able to attend the mine tour.

On other news, I see my old pal Mike Hibbitts has joined International Wayside. Also, Alf Randall and I will be teaming up on a fall drilling project at Kit Resources' Copperline Project (Driftwood) located north of Smithers during Sept-Oct. It's a redbed copper deposit, so the experience should help me in evaluating SYMC Dauntless project. We are waiting for the bush to re-open and financing to come in.

How's the expenditure projections going for the province so far? Does anyone have time to collate data??

Cheers,  
 Jacques
