[104B3#2] + Ph. 2 (108B165)

→ 4km N of Snip, across Iskut R.

\* chat (CONFIDENTIAL) with Adam Travis (Kelowna)  
- Ron Netolitzky very bullish on entire  
SNIP 'camp'.

Newcastle <sup>minerals</sup> (Netolitzky) making deal with Skyline Gold  
(Reg/Mt. Johnny) + Homestake (Snip) to  
acquire 'camp' (incl. Bug Lake)

⇒ "SNIP JOINT VENTURE"

<sup>RV</sup> also interested in acquiring placer rights to  
gravels near Snip airstrip (ie. part of  
SNIP deposit already 'mined' (ie. placer).

[RV also interested in SNIP tailings].
