

①

~~SUNRISE~~

Aug. 3/93
Sunny +25°C

- fly in from Northair
 0.2 mi - Scottie Gold Camp (+ Paul Wjidak)
 - Dave V'sagie, Marnold McPherson, Brian Malahot, Chuck Kowalt, Steve Roach, Maria Chandler (VIH Pilot), Bruce Hardy

Stensoe Barite Zone: [Rod Kirkham (GSC)
 merenskyite - Pd, Pt, Bi, Te
 clausthalite = Pb Se

Snowfield: py, cpy, ZnS, Pbs, Au, Tenn
 pyrophyllite (?) - Britton

West Zone: - flow domes + igneo frag, dykes + qtz veins (ie above a por. system?)
 intrusive → extrusive

185 Ma - syntectonic defmn. + min.
 Mn replaced by silica
 best ex = Umuk R. water kin tuffs up to Betty Ck.
 zoning - epl. to south → deeper to north.
 - ductile defmn.
 - sinistral shear on West Zone

SG-ZONE - 1000 m NW of West Zone.
 qtz-carb - 850' string up to 40ft.
 - Py, ~~Fe~~ magnetite, Au

② Tommyknacker Zone - 50 m of 'camp.
- tetra + py. - west trending
425' x 33'

examined core from Snowfield Zone
with M.M.

- gtz-ser. / gtz-chl. schist
(not strongly foliated)

- gtz veins + MnS₂

- plan to drill 1500 ft. holes

Strong 'conflict' between MRU
(esp. McDonald) + GSC (Kirkham)
- at 'expense' of Newhawk

④ GOSSEN HILL

PM Marie Gold - current 'sawing'
80 m strike up to 1.15 opt Au
E-W trend
- Photo - looking NE over N end
of PM zone (Gossen Hill)

PM - SNOWFIELD ZONE - walk across
- Margaret McPherson py + minor MoS₂
850 p ft. planned (~6 holes)
- to set one drill in ice. Previous holes at toe of ice.
~ 500m wide gold zone (ca. 0.08 opt Au)

Photos - ice - drill to top r.t.

EVE "Show + Tells"

- ① Galena Hill - Visagie
- ② Electrum + Spinel - Malahof
- ③ Maddox - McPherson
(~ 150m x 2m) - east of Brucejack fault
- ④ PM (Gossen Hill) - Roach
- best target = Marie Gold
- ⑤ SG (Genevieve + Spiff) - Roach and Hardy
- west of fault fault Brucejack 350 m strike - drilled 80m sec.
with similar results to surface trenching
E-W trend (zone near/at contact of granite body + andes

SNOWFIELD May 4/04

Dave Visagie stated
that Nathan, Gp. is
(still) trying to option
eastern portion from
Silver Std. (western portion
- too expensive)

SNOWFIELD June 21/04

- chat with Bob Quarternia.
(still likes potential -
but - 'For Sale')
