

82E/2E
82ESE011

OB

Aug. 13/86
Sunny 30°C

- George Stewart - guide

SKYLARK - skylark / Viscount

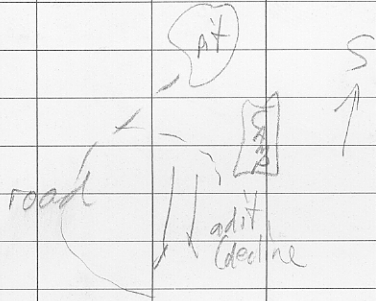

- OB, Serp

500 ft. decline

Host - Granite

887792

Snowshoe (OB)

2" vein of Ag-rich (mainly native)

Target looks very small!
but drilling gave assay
grades.

- but this is strictly a silver
prop. (100 ozt) - native silver.

- Herb Shear in charge

July 21/04

George Stewart
(Chettle River Res.)
has skylark (DB) side
- interested in acquiring
serp side also (Au).

SNOWSHOE July 21/04

- Linda Caron - Kingsman
to do 'minimal' assess. work
(eq. \$50k) in '04
(doesn't like car attitude)
- George Stewart ^{dealing} on serp 26/05
