Feb. 16/94

- spoke with David Dunn (Pioneer Metals)
- plan a drilling program ^{est. \$100k} → ^{no drilling; forestry only}
to start as soon as 'dry-down' - early-mid June.
- Forestry building access road this winter
- should provide access to property.
- Steve Fook had contacted Dave about possible visit during "Tour Day"
(unfortunately Steve is forgetting/ignorant of access logistics?)
