Y MIR (Old Timer Summit)

- Aramex (+ Davey Grier) Tue. July 5/05
- Dave Dunn Sunny + 28°C
- Beau Pre Drilling

Old Timer / Summit

#300K budget ~ 2500m delh
Access off Nelson - Salmo Hwy - just E of Whitewater ski hill
at 2 + carb. vein in Ymir belt (can't really see much - too broken)
Photo (turn of men across)

① Summit vein stop (above adit)

~~1st~~ ② Old Timer - drilling

- DDH downslope from Old Timer adit downslope to Pathfinder adit
(~300m back) - 2 fence holes (fence/bush)

- very bad (broken) ground

Fd Lawrence (Jersey - Emerald) to talk after rest of drilling program while Dave goes south to Congress + Mine projects (will be good if go w/G)

Rd. up to Old Timer is very steep + many switchbacks (but very good)
