NEW CANAMIN RESOURCES LTD. (NNI-V)

PRE - APPLICATION B. C. - New Canamin Resources Ltd.
PRODUCTION PROSPECTUS FILED has filed a pre-application
prospectus, on its Huckle-
berry Copper project located 25 miles east of Kemano,
B.C., with the B.C. Ministry of Energy, Mines & Petrol-
eum Resources. The document outlines a 40-year mine
plan producing some 12,000,000 pounds of copper per year
from an open pit operation. The document is a prerequi-
site to obtaining a Mine Development Certificate.
Its purpose is to initiate the mine review process with
the various regulatory bodies. Copies of this document
will be available at public libraries in B.C. communities
or from the offices of the company. (SEE GCNL No.11,
18Jan93, P.2 FOR PREVIOUS PROJECT INFORMATION)
