LIBERTY GOLD CORP. (LGP-V)

PROSPECTING PROGRAM STARTED - Glen E. White, president,
reports soil sampling and
prospecting has started on the Liberty Gold Tim claims in
the Lac La Hache area, 70 km east of Williams Lake, B.C.

The Tim claims adjoin the Miracle claims of GWR Resources
where a new gold-copper porphyry system has been
discovered. A drill hole by previous owners in this
gold-copper porphyry project returned 140 feet of 2.91%
copper, 0.79 oz.silver/t and 0.02 oz.gold, a 5 foot
intersection returned 0.119 oz.gold/t. A flow through
private placement is being prepared.
