

MULTINATIONAL RESOURCES INC. (MUT-V)

TWO EXPLORATION - Multinational Resources Inc. has PROGRAMS UNDERWAY mobilized crew programs in the Toodoggone area of B.C. and the Emigrant Springs project in the Carlin trend, Nevada. In the Toodoggone area, the 12,000 acre claim holdings beyond the main Baker Mine area will be evaluated by detailed mapping, prospecting, trenching and sampling. The initial program will focus on areas with encouraging base and precious metal values. Follow-up drilling is planned on the B zone drill-indicated reserve of 50,000 tons grading 0.56 oz.gold/ton, 5.1 oz.silver/t. The property is now accessible by road 8 miles southeast of
