DELTA PROPERTY OPTIONED TO CANARC- D.Cremonese, president reports that Teuton Resources Corp. has granted Canarc Resource Corp. an option to acquire an undivided 60% interest in the 4,700 acre Delta property, 30 miles NNW of Stewart, B.C., by making cash payments totalling \$100,000, issuing 100,000 shares and spending \$1,000,000 on exploration over 4 years. Stream and soil geochemical sampling in 1986-87 defined a 2 km long, broad zone of interest carrying anomalous values in gold, silver and associated base metals. Grab samples on several small vein occurrences ranged up to 1.88 oz.gold/ton and 523.6 oz.silver/t.
