SKYROCKET EXPLORATION & RESOURCES INC. (SKY-V)

PROPOSED VEND-IN - Arne Sanders, president, reports

Skyrocket Exploration is negotiating with Cariboo Hide Mining Corp. to earn an interest in the past-producing Churchill mine near Fort Nelson, B.C., subject to regulatory approval. The property has reported reserves of some 25,000,000 pounds of copper. Grade is 4 1/2% - 5 1/2%. The company is also seeking to acquire the Dave claims, adjacent to its Boy claims near the Afton mine, Kamloops, B.C. Skyrocket plans to elect three new directors.
