OCTOBER 5, 1989

INTEGRATED RESOURCES LTD. (IR-Alberta)
TAKEOVER OFFER - Integrated Resources is making a
takeover offer for a minimum 51% of the
shares of NORTHERN MINERALS LTD. (NM-T) of Edmonton,
Alberta, formerly Pacific Trans Ocean Ltd., subject to
regulatory approval. The offer is one share of

Integrated for 3 shares of Northern open until Nov.1,
1989. As of Oct.3, Intergrated shares closed at \$1.20
and Northern shares closed at 21¢. Intgrated will mail
an offer to Northern shareholders of record Oct.11,1989.

Northern Minerals has partnership interests in two
gold properties, one silver-lead-zinc porperty and one
platinum property. The company holds a 22.5% interest
in a producing placer gold property. Integrated has
various property interests in the Liard mining division,
NW B.C. including the Gnat Pass porphyry copper deposit
that contains 25,000,000 tons grading 0.44% copper and
an unknown quantity of gold. A diamond drilling program
currently in progress at Gnat Pass is designed to expand
copper reserves and determine the extent of the gold
values. Integrated is also exploring the Goat and
Barringer River claims. The 12,968-acre Goat property,
100% owned by Integrated, contains high geochemical
gold anomalies in all four streams draining the area.
Grab samples returned 3.57 oz.gold/ton. The properties
are located north of the Iskut River and the Eskay Creek
deposit 55 km. north of Stewart, B.C.
