DESERT GOLD RESOURCES INC. (DGR-V)

JOE CLAIMS UPDATE - Ross A. MacDonald, director, reports Desert Gold Resources Inc. has begun a drill program on the Joe claims located near Salmo, B.C. where the company is earning a 100% interest by making a cash payment and spending \$20,000 per year on exploration

with a \$100,000 cap. The program comprising 250 meters of access road building and three NQ diamond drill holes. The drilling will test the westward extension of a precious metal-bearing quartz-veined shear zone.

HOLE NO.	INTERVAL METERS	LENGTH METERS	GOLD G/T	SILVER G/T	Continuity of the structure has been confirmed in previous drilling
DDH-16	29.5 - 33.2	3.7	5.30	57.19	
Incl.	32.1 - 33.2	1.1	8.01	151.71	
DDH-17	35.7 - 37.0	1.33	5.20	604.45	

where two holes 40 meters apart intersected it. See table above for assays.
