WESTPINE METALS LTD. (WM-V)

MORE TASEKO ASSAYS - Willis W. Osborne, vice president, reports Westpine Metals Ltd. has received further assays from the drilling program on the Taseko copper/gold property located 140 miles north of Vancouver, B.C. ASARCO can earn a 60% interest by spending \$3,650,000 on exploration and paying Westpine \$340,000 over four years. To date only the results for gold assays have been received; copper results pending.
