INTERNATIONAL KENGATE VENTURES INC. (IKV-V)

POLYMETALLIC CLAIMS ACQUIRED - Dan Clark, president,
reports International

Kengate Ventures Inc. has acquired a two-claim block of 40 units, the Silver 1 and 2, located 45 km NE of Revelstoke, B.C. by paying \$3,000 and issuing 100,000 shares. The property is situated on the east side of the Incomappleaux River valley where exploration dates back to the turn of the century. Prospecting and geophysical work has been completed on the property which has two adits about 50 meters long. The known mineralization comprises veins grading up to 320 oz.silver/ton, 80% lead with anomalous gold. An airborne geophysical survey done in 1985 outlined a strong anomaly near surface about 400 by 1,000 meters in size. International Kengate recently underwent a name change and share consolidation.
