PACIFIC NORTHERN VENTURES LTD. (PNV-V)

FIELD PROGRAM COMPLETED -Daryl Pollock, president, reports Pacific Northern Ventures Ltd. has completed a field program on the 100% owned Silver Bow property in the Kisault/ Alice Arm area about 68 km southeast of Stewart, B.C., which included geological mapping, prospecting and geochemical soil and stream sampling. Old Silver workings on the Silver Bow property including the Theda Bara, Bebe Daniels, Verona and Silver Bow were re-examined. The Silver Bow and Verona were shown to be along the same shear structure,
